

Do you wish you could communicate better with someone with aphasia?

Learning to Speak Aphasia: Family and Friends Module

Whether you are a spouse, child, sibling or friend of someone with aphasia, everyone finds it difficult to communicate effectively with someone with aphasia... especially when you understand that the person needs to be challenged in order to improve!

**TAP Unlimited offers a training just for you...
and it's free!!**

**Sunday, August 6th from 3-5pm at the
TAP Home Office in Cary, NC
191 High House Road
Cary, NC 27511**

(There is no cost for this training; donations are accepted and appreciated)
